

RESOLUTION

WHEREAS, the Department of Community Health has the care, custody, and control over certain State-owned real property located in Bibb County, Georgia, which real property is located at the physical address of 811 Hemlock Street in Macon; and

WHEREAS, the Department of Community Health, due to the age of this facility, is receptive to the idea of relocating the Division of Public Health's staff housed there to newer space in the same city as requested by the Division of Public Health; and

WHEREAS, the said State-owned real property is described as all that tract or parcel of land lying and being in Lot 1, Square 73, of the city of Macon, Bibb County, Georgia, as shown on a plat of survey prepared by Frank E. Lester, Georgia registered Land Surveyor #1118, dated March 1953, containing approximately 0.36 of one acre ("the Property"); and

WHEREAS, a sale of said property for fair market value as determined by the State Properties Commission will benefit the Division of Public Health's goal to move its employees to newer space;

NOW, THEREFORE, BE IT RESOLVED that the Board of Community Health approves the State Properties Commission to sell the property for fair market value as requested by the Division of Public Health.

Resolved this 10th day of March, 2011, in public session.
